13. The Permittee shall not assign, convey or transfer, in any manner whatsoever, the permit or any interest therein, or in or to any of the improvements on the land subject to the permit, without the prior written consent of the Navajo Nation. Any such attempted assignment, conveyance or transfer of the permit without such prior written consent shall be void and of no effect. The consent of the Navajo Nation may be granted, granted upon condition or withheld in the sole discretion of the Navajo Nation.

14. The Navajo Nation may terminate the permit for violation of any of the terms and conditions stated herein. In addition, the permit shall be terminable in whole or part by the Navajo Nation or authorized representative for any of the following causes:

20. By acceptance of the grant of the permit, the Permittee covenants and agrees never to contest or challenge the legislative, executive or judicial jurisdiction of the Navajo Nation on the basis that such jurisdiction is inconsistent with the status of the Navajo Nation as an Indian nation, or that the Navajo Nation government is not a government of general jurisdiction, or that the Navajo Nation government does not possess full police power (i.e., the power to legislate and regulate for the general health and welfare) over all lands, persons and activities within its territorial boundaries, or on any other basis not generally applicable to a similar challenge to the jurisdiction of a state government. Nothing contained in this provision shall be construed to negate or impair federal responsibilities with respect to the land subject to the permit or to the Navajo Nation.

21. Any action or proceeding brought by the Permittee against the Navajo Nation in connection with or arising out of the terms and conditions of the permit shall be resolved administratively under the laws of the Navajo Nation and no action or proceeding shall be brought by the Permittee against the Navajo Nation, in any court of any state.

22. Nothing contained herein shall be interpreted as constituting a waiver, express or implied, of the sovereign immunity of the Navajo Nation.
23. Except as prohibited by applicable federal law, the law of the Navajo Nation shall govern the construction, performance and enforcement of the terms and conditions contained herein.

24. The terms and conditions contained herein shall extend to and be binding upon the successors, heirs, assigns, executors, administrators, employees and agents, including all contractors and subcontractors, of the Permittee, and the term “Permittee,” whenever used herein, shall be deemed to include all such successors, heirs, assigns, executors, administrators, employees and agents.

25. There is expressly reserved to the Navajo Nation full territorial legislative, executive and judicial jurisdiction over the area under the permit and all lands burdened by the permit, including without limitation over all persons, including the public, and all activities conducted or otherwise occurring within the area under the permit; and the area under the permit and all lands burdened by the permit shall be and forever remain Navajo Indian Country for purposes of Navajo Nation jurisdiction.

Sliding Fee Scale for Navajo Nation Mission Site Permits

Purpose: These policies serve as a guide for the Navajo Land Department to determine Mission Site Permit fees in order to assure that a fair cost-determination has been made.

Policy: A sliding scale for permit fees will be provided to Mission Site Permit applicants, and based on their ability to pay. Ability to pay is determined by the size and annual income of the mission, as well as the number of acres utilized. The sliding scale is not a comprehensive formula, but is used for guidance to determine permit fees. The Navajo Land Department shall determine the permit fee for each mission on a case-by-case basis. The Navajo Land Department has the authority to adjust the sliding scale and permit fee as they see fit, in accordance with Navajo Nation and federal law.

Scope: These policies apply to all Mission Site Permits in the Navajo Nation.

Procedure:

1. Entities applying for Mission Site Permits must provide written verification of income.
2. Self-declaration may only be used in special circumstances. Entities that are unable to provide written verification must provide a signed statement of income, and why they are unable to provide independent verification. This statement will be presented to the Navajo Land Department for review and final determination as to the sliding fee percentage.
3. Permit fees will be determined at the discretion of the Navajo Land Department on a case-by-case basis for entities unable or unwilling to provide any level of documentation.
4. Pursuant to 16 N.N.C. § 1157 the Navajo Land Department will require a minimum charge of $15.00 per acre per year for all mission sites in the Navajo Nation.
5. Permit cost will increase based on the annual income of the mission and the number of acres used, pursuant to Table 1 below. An additional $15 will be assessed for each acre and each $10,000 increase in annual income. An additional fee may also be added for missions with large congregations.

6. Any mission that is actively conducting substantial medical or accredited educational programs on its site shall be exempt from the permit fee.

7. The Navajo Land Department requires payment by December 30 of each year, prior to the year for which fees are due. If any mission fails to pay the required amount by the due date, their Mission Site Permit will automatically terminate in accordance with 16 N.N.C. § 1157.
